

**Der Leihladen**

### **Leila Flensburg - The Rental Shop**

In Flensburg's first loan store, useful but seldom-used items pass from private ownership items into a community lending system. Here you can borrow the smoothie mixer, the drill, table tennis set and much more.

This not only makes your living space happy, but also your wallet and, most importantly, the environment!

### **Opening Hours**

Wednesday  
4 pm - 6 pm

Saturday  
11 am - 1 pm

## How does the Leila work?

- Membership: Pay as much as you want, have a vote on club matters and get a voucher for the 30€ registration fee at cambio CarSharing.
- Trial month: Test our offer for 30 days for a one-time fee of 6€ (1x yearly possible).

In our online catalog you can see when which item is available and reserve it. In general, the loan period is limited to two weeks. You can find more information in our general loan conditions.

## How can I help?

Besides the active use of the Leila we are always happy about donations in kind - please contact us in advance via mail to see if your donation fits into our offer. We are also always happy to welcome new volunteers - simply get in touch with us.

During our opening hours you also have access to our exchange corner for things and skills. In addition, you will find the clothing store „Sonnenblumen 2. Hand“ (Thu & Fri 2 pm - 6 pm) and a foodsharing shelf.

## See you soon at Leila!
